A medical syringe with a needle is shown vertically on the right side of the advertisement. The syringe has a scale from 1 to 10. To the right of the syringe is a red, spherical virus particle with small protrusions on its surface. A white arrow points from the syringe towards the text "COST IS FREE".

**COST IS
FREE**

Get vaccinated before it's too late!

Vaccines available when immunizing pharmacist/nurse is on duty, while supplies last. Age restrictions may apply. Your privacy is important to us. Our employees are trained regarding the appropriate way to handle your private health information. Must be insured through an EIT sponsored Health & Welfare Plan.
