The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.fundoffice.org or call 1-800-862-3386. For general definitions of common terms, such as **allowed amount**, **balance billing**, **coinsurance**, **copayment**, **deductible**, **provider**, or other underlined terms, see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call 1-855-756-4448 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$600**/individual* **$1,200**/family* ***Based on calendar year**	Generally, you must pay all the costs from **providers** up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the **plan**, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family **deductible**.
Are there services covered before you meet your deductible?	Yes. **Preventative Care** and Chiropractic services are covered before you meet your **deductible**.	This **plan** covers some items and services even if you haven't met the annual **deductible** amount. But a **copayment**, or **coinsurance**, may apply. For example, this plan covers certain **preventative services** without **cost-sharing** and before you meet your **deductible**. See a list of covered **preventative services** at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No	You don't have to meet **deductibles** for specific services.
What is the out-of-pocket limit for this plan?	**In-Network Medical:** **$3,000**/individual or family* **Out-of-Network Medical:** **$5,000**/individual or family* **In-Network Prescription:** 2023: **$6,450**/individual or family* 2024: **$6,200**/individual or family* ***Based on calendar year**	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they may have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met.

Important Questions	Answers	Why This Matters:
What is not included in the out-of-pocket limit?	Co-payments for certain services, premiums, balance-billed charges, non-PPO co-insurance, penalties for failure to obtain preauthorization for services, hearing aid PPO co-insurance, and health care this plan does not cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. Visit www.bcbsil.com or call 1-800-810-2583 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No	You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
