

IT'S TIME TO GET VACCINATED

FOLLOW THESE STEPS

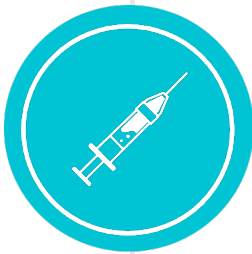

01 CALL AHEAD

It is recommended that you contact your pharmacy or the EIT Health & Wellness Center ahead of your visit to ensure they have a supply of vaccines on hand, whether it is for flu, pneumonia, Tdap, COVID or shingles.

02 SCHEDULE AN APPOINTMENT

Call CVS Caremark at 800-566-5693 or visit their website at www.caremark.com to find a network pharmacy, or call the EIT Health & Wellness Center at 312-262-7002 or go online to schedule an appointment at www.premisehealth.com/members

03 GET VACCINATED

Don't wait! Get vaccinated now. When visiting a network pharmacy, you may need your CVS Caremark ID card and a valid photo ID. *You must be insured through an EIT Health & Welfare Plan.*
